Project Description: BRPC proposes to develop the Kuparuk "C" sand within the Southern Miluveach Unit. The development program is proposed as a stand-alone operation with a central process facility which will produce sales quality crude oil through a 1000 foot pipeline to connect with the Alpine Transportation Company common-carrier pipeline. The proposed oil pipeline will be authorized under AS 38. The activities will occur on leases held by BRPC and by ConocoPhillips Alaska, Inc. (CPAI); activities occurring within BRPC leases will be authorized by the Decision Issued for this application and activities occurring outside of BRPC's lease will be authorized through an Easement Decision which is currently under a separate review.

The application package is available for review at the DOG, Permitting Section, 550 West 7th Avenue, Suite 1100, Anchorage, AK 99501 and online at <http://www.dog.dnr.alaska.gov/Permitting/Permitting.htm#permittingnotices>.

Please send comments to dog.permitting@alaska.gov, or by regular mail to the DOG address above. All comments must be in writing. A copy of the final decision will be sent to any person who provides written comments. Only persons who comment in writing during the public comment period will be eligible to file an administrative appeal or to request reconsideration of the final decision (11 AAC 02).

All comments must be received by the Comment Deadline: 4:30 pm, Alaska Time, 2/9/2013
